

# **A Wonderful Title of Your Thesis/Dissertation**

by

**Your name**

A thesis submitted in partial fulfillment of the requirements for the degree of  
Master of Science in Electrical and Electronic Engineering

Khulna University of Engineering & Technology

Khulna 920300, Bangladesh

**October 2021**

## Declaration

This is to certify that the thesis work entitled “*A Wonderful Title of Your Thesis/Dissertation*” has been carried out by *Your name* in the Department of *Electrical and Electronic Engineering*, Khulna University of Engineering & Technology, Khulna, Bangladesh. The above thesis work or any part of this work has not been submitted anywhere for the award of any degree or diploma.

Signature of Supervisor

Signature of Candidate

## Approval

This is to certify that the thesis work submitted by *Your name* entitled “A Wonderful Title of Your Thesis/Dissertation” has been approved by the board of examiners for the partial fulfillment of the requirements for the degree of *Master of Science in Engineering (M. Sc. Eng.)* in the Department of *Electrical and Electronic Engineering*, Khulna University of Engineering & Technology, Khulna, Bangladesh in October 2021.

## **CHAPTER I**

### **Introduction**

#### **1.1 Background**

You can explain related theory/background here ...

#### **1.2 Scopes and Objectives**

Explain the scopes of your work with objectives, possibly with numbering:

- i. Objective 1
- ii. Objective 2

#### **1.3 Layout of the Thesis**

This thesis is organized as follows. The following chapter (Chapter II) explains the related literature ...

Chapter III ...

Lastly, all findings and applications are summarized in Chapter V with concluding remarks and some recommendations on future research directions.

#### **1.4 Summary**

You can summarize the chapter here ...

## **CHAPTER II**

### **Literature Review**

You can review the related literature here, possibly with sections:

#### **2.1 Subheading 1**

Cite papers as necessary [1], [2]. Bird *et al.* [3] proposed ...

#### **2.2 Subheading 2**

#### **2.3 Summary**

You can summarize the chapter here ...

## CHAPTER III

### Methodology

This chapter describes ...

#### 3.1 A Section

##### 3.1.1 A Subsection Under the Section

You can place necessary equation, such as Equation 3.1.

$$F_i'' = |F_i - 2F_{i-1} + F_{i-2}| \quad (3.1)$$

where,  $i$  ...

##### 3.1.2 Another Subsection Under the Section

#### 3.2 Another Section

The logo of KUET is shown in Figure 3.1.

### 3.3 Summary

You can summarize the chapter here ...

## CHAPTER IV

### Results and Discussion

Explain the results and discuss them here.

#### 4.1 Possible Section

You can tabulate your result like Table 4.1.
